Comments:

Request: Vacate 6' utility easement located at the northeast intersection of U.S. 1 & NE 2 St.

1. Sketch and legal description must be reviewed and signed off by Tim Welch, Engineering Design Manager and Tony Irvine, City Surveyor, prior to being scheduled for City Commission.
2. Separate application and fee is required for City Commission submittal. Easement vacation requests do not require Planning and Zoning Board review.
3. Sign offs from TECO Peoples Gas, Bell South and Tim Welch, Engineering Design Manager have been received. Sign offs from AT&T Broadband and Florida Power & Light are needed. If alternate easements are required, or facilities are required to be relocated, copies of such plans and documents must be submitted for review and approval by Engineering prior to scheduling for City Commission.
4. Additional comments may be forthcoming at the DRC meeting.
